WHO ARE WE?

Youth Union of People with Initiative was founded in 2008 by a group of young people who are committed to changing the world... or at least trying to. At YUPI, we believe in Active Participation, Citizenship, and Volunteering as means for a better society.

“Our main focus is the young people of today that will transform the world tomorrow.”

WHAT WILL YOU DO AT YUPI?

This is an opportunity to join the YUPI team and support the organisation and logistic coordination of exciting international projects, including Youth Exchanges and ESC projects, while also contributing to sustainability activities such as agroforestry preparation, organic egg production and construction with natural materials.

Main Tasks

Logistic support & Communication

👍 assisting with the organisation and coordination of international events, including preparing spaces, materials and schedules, providing on-site support, creating and sharing social media content, and supporting communication with participants and the wider community.

Sustainability, Rural Development & Farming : Supporting the development of a sustainable farm to host future projects, through activities such as agroforestry, organic farming, caring for chickens, maintaining gardens and building with natural materials.

Does this hype you up? If yes, let's flow!
