

Topic: Activities with children in a kindergarten

Number of volunteers hosted at the same time: 2

Type of project: Long-term

Place: Pesaro, Italy

IL SALTALLEGRO

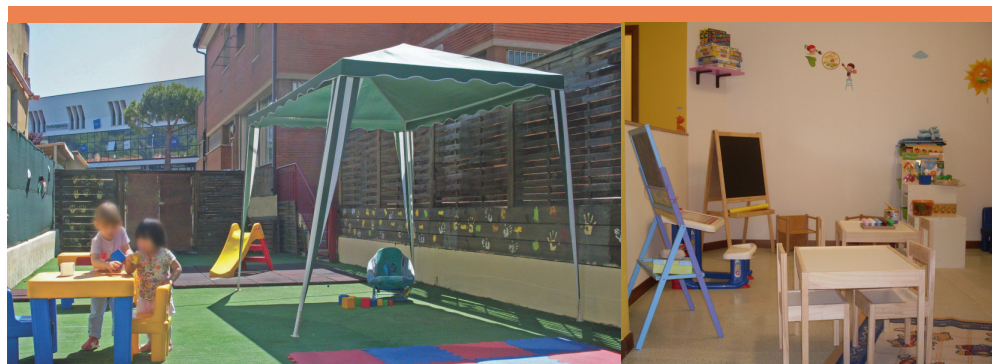

The kindergarten

The workshop room

The Kindergarten

The kindergarten “Il Saltallegro” is a **centre for children between three months and 6 years old in Pesaro**. It was born as a baby parking in 2001 then, in 2012, the centre became a kindergarten as it is still now. They are open from Monday to Friday the whole year: from September to June they are open in the morning from 7.30 to 14.00 and they organise extra activities for children between 3 and 6 years old in the afternoon. From June to August, they are only open from 7.30 to 14.00. In being a kindergarten, **they are the first step in the educational cycle of the children**: children spend half of their daily time in the centre and, therefore, they are their first educational model after their families. For this reason, **they offer different kinds of activities to the children starting from foreign languages, to artistic workshops to practice their manual skills, to psychomotor learning and yoga**. All the activities are organised according to the age of the children and taking into account their attention span.

Send your **CV** and a **cover letter** related to the project you like (both in English) to candidatesevicolocorto.org we will let you know if we have any vacancy good for you!

Tasks of the volunteers

The volunteers will be involved in the following activities:

- **Foreign language workshops:** the language workshops are based on playful activities and the use of songs.
- **Creative and artistic workshops:** these workshops stimulate the children's creativity and contribute to the development of their manual skills;
- **Reading activities:** during these activities the volunteers will be able to practice the Italian language and also their English, while reading for the children;
- **Psychomotor skills' development activities:** the main objectives of this activity are aimed at a balanced and harmonious development of the identity of the child through the knowledge and mastery of his body and the ability to communicate externally.

you can find us on social media! 

WHERE?

PESARO

Pesaro is a city and Municipality in the Italian region of Marche, capital of the Province of Pesaro e Urbino, on the Adriatic Sea, with a population of around 95.011 inhabitants, making it the second most populous city in the region, after Ancona.

Pesaro is recognised as "Cycling City" (Città della Bicicletta) in recognition of its **extensive network of bicycle paths** and promotion of cycling. It is also known as "**City of Music**" as it is the birthplace of the composer **Gioacchino Rossini**. The historical centre of Pesaro is rich of points of interest like Palla di Pomodoro, the Conservatorio, the theatre, the museums, the fountain in the main square and casa Rossini.

It is located between **two coastal hills**, the San Bartolo and the Ardzio, so you can **enjoy both the seaside and hiking in the hills**. The San Bartolo, in particular, is a Natural Park so you can also discover its beauty and the small towns near it.

Thanks to Rossini, **Pesaro is famous for Pizza Rossini**: a pizza garnished with tomato sauce , mozzarella, boiled eggs and mayonase. It can sound weird at the beginning, but you have to try!
